

For His Glory HomeSchool Co-Op
2020-21 Health and Safety Protocol

Due to social distancing requirements brought about by the COVID-19 Pandemic, our classroom capacity has been reduced. As a result, For His Glory HomeSchool Co-Op offerings and class selections are limited. We are requesting FHG members to agree and abide by our Health and Safety Protocols. Individuals who are displaying fever-like or flu-like symptoms should remain home. Parents are requested to take their child's temperature prior to school arrival. If you or a family member have tested positive for COVID-19 you must contact the Director immediately. In this case, that particular class will be canceled for two weeks to help prevent further spread.

For His Glory will maintain a clean and safe learning environment that enhances student achievement. Parents and Students are asked to respect and honor each individual.

The following protocols have been established as preventative measures:

1. FHG will increase cleaning of restrooms, classrooms, and used areas in addition to placing sanitation caddies in classrooms. Each class will be assigned cleaning procedures for the beginning and end of class. Director will monitor this process to ensure that rooms are sanitized properly.
2. Face coverings (mask or shield) are required due to City ordinance. All members should bring their own face coverings and wear them.
3. Students are asked to bring in their own hand sanitizer and water bottles.
4. Students will stand / sit six feet from each other.

Janitorial Duties included but not limited to:

Light switches
Door handles
Tables
Chairs
Water Fountains
Bathrooms
Trash
